THE SCHOOL
Stanford Online High School (Stanford OHS) at Stanford University is an independent school for academically talented students in grades 7–12. Founded in 2006 as a three-year high school, and subsequently expanded to include grades 7–9, Stanford OHS is accredited by the Western Association of School and Colleges (WASC).

MISSION STATEMENT
Stanford Online High School creates a worldwide learning community of diverse, intellectually passionate students and teachers. Through vibrant seminars, the rigorous curriculum challenges students to reason analytically, think creatively, and argue critically. Beyond the classroom, collaborative extra-curricular activities cultivate lasting relationships among students and teachers. The school’s supportive environment fosters independence, strength of character, and a lifelong pursuit of knowledge.

CLASSROOM ENVIRONMENT
Classes at all levels are conducted as college-style seminars in which instructors and students engage in high-level discussions of the course materials. These seminars, which typically have fewer than 16 students, meet at least twice a week and are conducted in real-time using web-based video conferencing technology.

COURSES
The maximum recommended OHS student course load is five classes. All OHS courses are taught at an advanced level. Course titles designate their place in the curriculum, not rigor. GPAs are on a 4-point, unweighted scale.

STUDENT LIFE

Stanford OHS offers a rich array of instructor-supervised student extracurricular activities including Model United Nations, student service board, student government, and a variety of other clubs focused on cultural and academic interests. Stanford OHS students also participate in competitions such as Science and Math Olympiad, Ethics Bowl, and FTC Robotics.

GRADUATION REQUIREMENTS

A typical course of study for a full-time student at Stanford OHS comprises five academic classes per year for a total of twenty academic courses, which, for graduates, must include:

- **English**: 4 years
- **Social Science**: 3 years
- **Laboratory Sciences**: 4 years
- **Foreign Language**: 2 years
- **Core Sequence**: 4 years

To receive a diploma from Stanford OHS, students must take one course in the Core Sequence each year they are enrolled in the high school. They must also complete at least one AP or University-Level course in each of three areas: Humanities, Social Science, and Science or Mathematics.

OHS SUMMER PROGRAM AT STANFORD

During this optional two-week program on the Stanford campus, students take multidisciplinary enrichment courses and engage in hands-on, project-based programs. AP science students gain real-world laboratory experience.

TEST SCORES FOR 2016 OHS GRADUATES

Test score summaries are presented with two caveats: the sample size is small, and because our students do not test on site, some score reports do not come directly to us. Please view this section accordingly.
